T.R.A. DOCKET ROOM

August 15, 2003

Mr. Richard Collier  
General Counsel  
Tennessee Regulatory Authority  
460 James Robertson Parkway  
Nashville, TN 37243

Re: Dockets 03-00425 and 03-00457

Dear Richard:

As we discussed on the telephone on Monday, August 11, Delta Phones Inc. had contacted me on that day and explained that it had decided to surrender its resale certificate in Tennessee. Delta Phones reluctantly reached this conclusion because of the relatively low number (fifty or less) of customers remaining in Tennessee and the fact that the company's ongoing disputes in other jurisdictions where Delta Phones has substantial numbers of customers made it necessary for the company to concentrate its legal and regulatory resources on those states.

Because of Delta Phones' decision to surrender its certificate, Delta Phones will not be filing a bond or letter of credit, nor will Delta Phones pursue its complaint against BellSouth (Docket 03-00425) or its petition to approve a transfer of control (Docket 03-00457). Delta Phones will insure that all remaining customers receive adequate notice of the proposed discontinuation of service and will work with the Authority on all issues surrounding the surrender of Delta Phones' certificate.

Delta Phones look forward to resolving its billing disputes with BellSouth and returning to Tennessee in the future.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
